

Holiday Flower Donation Form

As is our tradition here at First UU, we invite our members and friends to contribute a flowering plant during the Christmas season. The plant you give can be designated as being in honor or memory of someone who has been special in your life, or of some special event.

The plants will decorate the sanctuary on Sunday, _____, and will then be delivered to those in our congregation who will appreciate our caring. A list of our donors and those remembered and honored will be printed in the Order of Service and the Newsletter. Each plant is \$10.

On the reverse side of this form, you will find space to indicate the details of your order.

If you do not wish to sponsor a plant, but would like to help, we need people to make deliveries on Sunday, _____ (or soon thereafter). Please indicate your willingness on the reverse side.

Please bring this to the Flower Donation Table during Social Hour. If you mail it to the Church Office the deadline is Friday, _date_.
